

benefits:

- Folds tight up against wall when not in use
- Vertical adjustment of workstation to accommodate a variety of users on 36" track
- Accommodates LCD's weighing up to 35lbs, perfect for touch panel or all-in-one panel PC's

monitor adjustment

LCD monitor is fixed on track for space-constrained areas
The monitor is 1-1/2" from the wall

keyboard adjustment

Keyboard flips up just 3 1/2" from the wall and the platform is reduced in size to keep a compact profile.

compact
wall track
